

## THE IMPERIAL HOTEL RUSSELL SQUARE, LONDON WC1B 5BB

The CAH Support Group would like to invite you to an educational/social day at the above venue on **Saturday 7th July**, which will run from **11am – 4pm**.

This meeting will primarily be of interest to parents of children with CAH, although everyone with an interest in the condition will of course be welcome to come along. Unfortunately we are not able to organise a crèche on this occasion but children are welcome, although they will need to stay under the supervision of their parents.

We are delighted to announce that Dr Assunta Albanese, (Paediatric Endocrinologist from St George's Hospital in London) has very kindly agreed to join us and give a presentation and answer general questions.

We are also hoping that parents of children and adults with CAH, will share their own experiences and advice (if you would like to be considered for giving a short talk on the day, please e-mail: [sue@cah.org.uk](mailto:sue@cah.org.uk)). Hearing from others who understand what it is like to live with CAH is so reassuring and helpful (especially for new parents), so please consider this – you will be amongst friends who will appreciate and understand your views!

A sandwich lunch and refreshments will be provided. Although the day will be mainly financed by the support group, we are asking for a nominal admittance fee of £10 per adult and £5 per child (over 5 years), to help towards costs.

If you would like to attend please complete and return the reply slip at the bottom of this invitation along with your remittance. Numbers will have to be limited, due to the capacity of the function room, so bookings will be on a first come, first served basis (last date for booking 22/06/18).
